CODEX OF CURE

Conflict brings darkness.
Separation brings hunger.

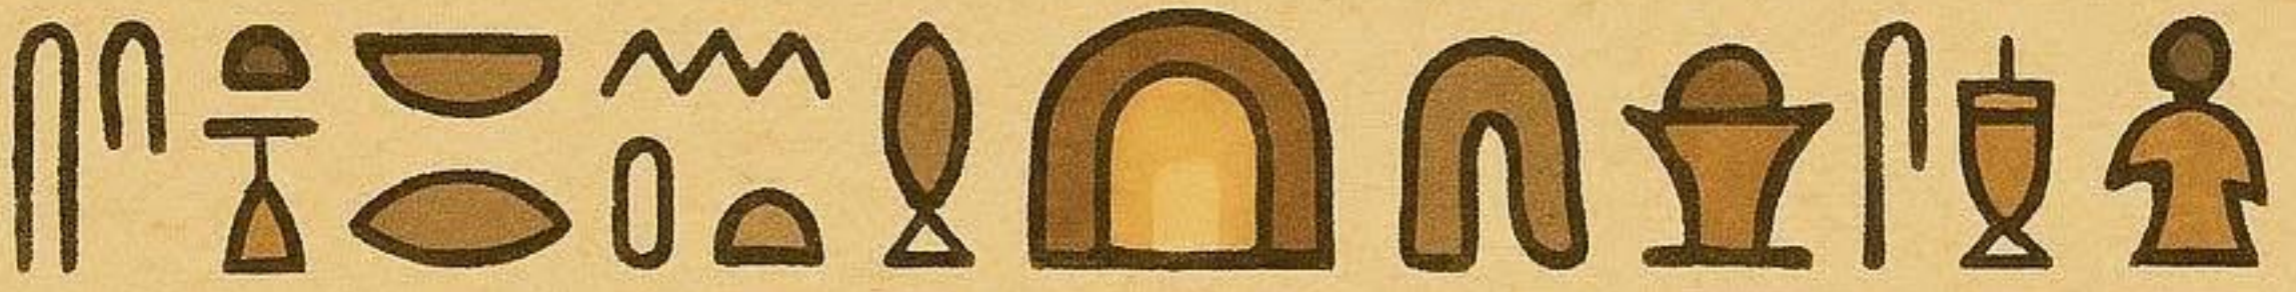

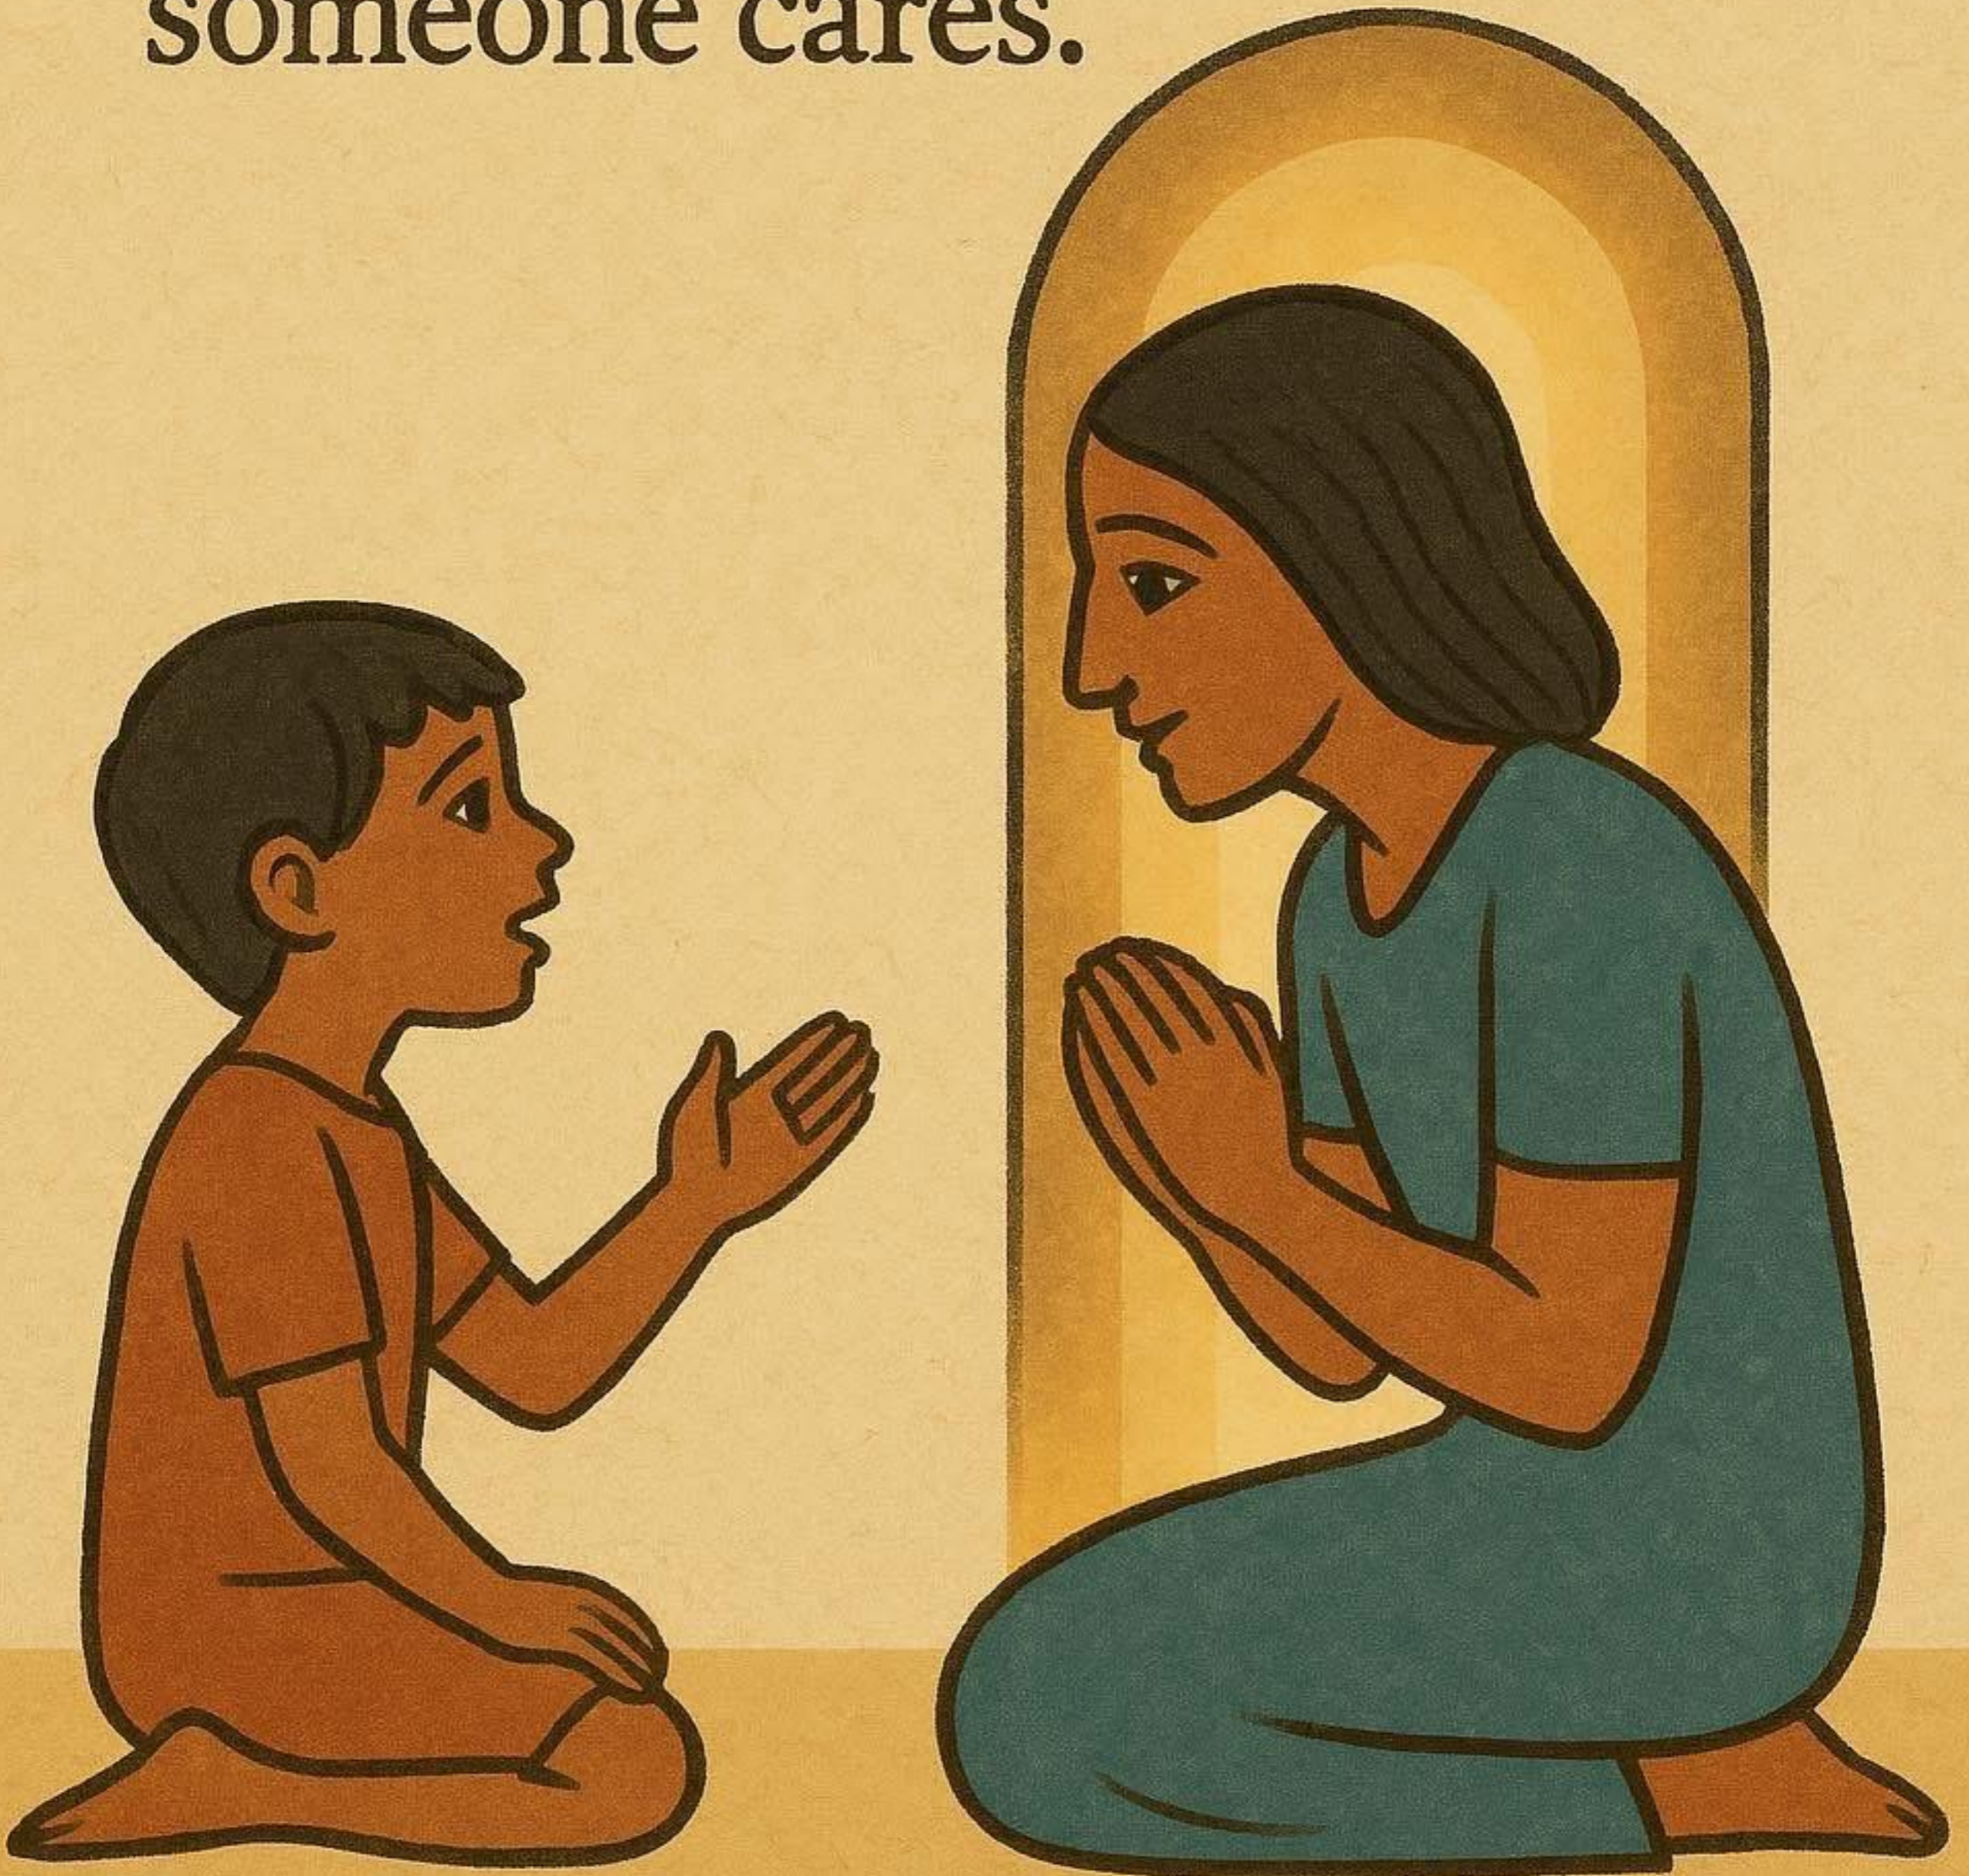

A HARSH WORD CAN
BRUISE THE SOUL.

BUT KINDNESS IS MEDICINE
EVEN TIME REMEMBERS.

When you truly listen, you open a door in someone's heart. Some doors stay locked for years – until someone cares.

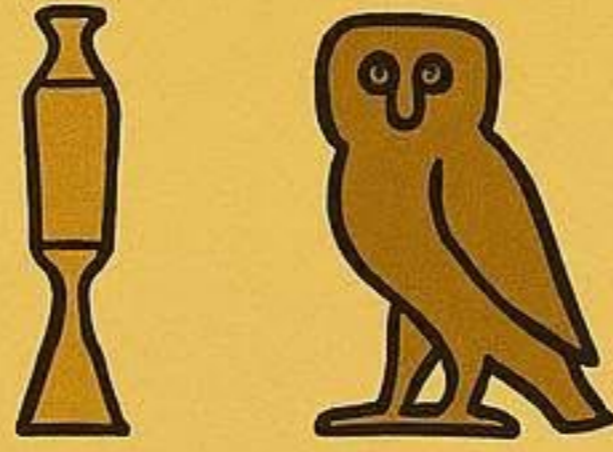

Forgiveness is a seed.

You plant it for someone else, it flowers inside you.

And sometimes you have to forgive the system too— not because it deserves it, but because your soul does.

**A TORCH IS NOT MEANT
TO BE HOARDED.**

**IT IS CARRIED, THEN PASSED.
SO THAT OTHERS MAY SEE.
SO THAT THE LIGHT NEVER DIES.**
